#### **Current Action Items:**

Molly is designing an updated generic flyer.

Molly is working on an event proposal to be presented at Wednesday's Steering Committee meeting for our first event at the P-Patch (proposed date 4/30)

Sophorn has a booth at White Center's Khmer New Year celebration- please let me know if you are interested in a (two hour?) shift at the booth, particularly between 12am and 3pm, also 4/30.

Ongoing flyering (somewhat stalled, waiting on new flyers). Please continue to send me your contacts to keep the spreadsheet current and avoid duplication of effort.
